

### CHILEAN HAZELNUT OIL

Also known as Gevuina Oil

*Suitable for beauty and personal care applications.*

**INCI:** Gevuina Avellana (Gevuina) Seed Oil

**Extraction:** Cold Pressed

**Shelf Life:** 18 Months

**Origin:** Chile

#### Background:

The Gevuina avellana tree is a beautiful evergreen tree that is native to regions of Chile and Argentina. The tree can reach up to 20 meters tall and bears small nuts, similar to those of the macadamia tree. Gevuina nuts (hazelnuts) consist of approximately 12% protein and 50% oil and are also rich in vitamins, minerals, lipids, sterols and antioxidants.

#### Uses:

Chilean Hazelnut Oil possesses a significantly higher content of monounsaturated fats (80%) than most lipids. Chilean Hazelnut Oil penetrates the skin effectively, leaves the skin feeling supple and refreshed, and is a nutritive addition to moisturizers, lip care products, hair products, make-up, sun care preparations, baby products, shaving products and other cosmetic formulations.

Chilean Hazelnut Oil is virtually odorless and pale in color. It is light in texture and absorbs quickly. It has a shelf life of at least 18 months when stored in a cool dry place, away from direct sunlight.

#### Chilean Hazelnut Oil is Perfectly Suited for the Following Personal Care Applications:

- Moisturizers
- Cleansers and Soaps
- Cosmetics
- After-Sun Care
- Hair and Scalp Care
- Lip Care
- Nail Care
- Massage
- Aromatherapy
