Background:

Arnica montana is also commonly called *leopard's bane*, *wolf's bane*, *mountain tobacco*, and *mountain arnica*. The flowering plant, known for its bright yellow petals and daisy-like appearance, is native to Europe, Southern Russia, and parts of North America. Historically, Arnica has been celebrated since the 1500s for its numerous uses in wellness and skin care applications.

Praan Naturals Organic Arnica Oil Extract is produced by low temperature maceration of fresh organic arnica petals in Organic Sunflower Oil to extract the lipid soluble components of arnica.

Praan Naturals superior quality Organic Arnica Oil Extract is carefully sourced and packaged to maintain the purity, freshness and beneficial properties of this herbal oil extract.
