

## Ethically Sourced Ingredients

### PALM-FREE ORGANIC VEGETABLE GLYCERIN

Suitable for beauty and personal care applications.

**INCI:** Glycerin

**Origin:** India

**Shelf Life:** 3 Years

#### Background:

Organic Vegetable Glycerin is heralded for its wide range of applications within personal care. Scientifically, glycerin is a sugar alcohol and is traditionally referred to as glycerol. Glycerin can be produced from vegetable or animal sources.

Praan Naturals Organic Vegetable Glycerin is ethically and sustainably produced and is 100% palm-free. It is carefully produced, packaged and stored to maintain the purity, freshness, humectant and other beneficial properties of this versatile product.

#### Uses:

As an emollient, lubricant and noteworthy humectant, Organic Vegetable Glycerin is well suited for a wide range of moisturization applications that include skin, hair, nail and lip care. It supports healthy skin elasticity, is non-irritating and soothing and is heralded for its ability to moisturize dry and cracked skin. Organic Vegetable Glycerin is noncomedogenic and is an ideal choice for inclusion in formulations intended for oily skin. It is a remarkable humectant for use in hair care products intended to restore dry, brittle and lifeless hair. Vegetable Glycerin's non-irritating properties make it an exceptional ingredient to soothe an array of skin concerns. Vegetable Glycerin is a natural, alcohol-free solvent that can be used in the preparation of botanical extracts.
