

Ethically Sourced Ingredients

PLANT-BASED FRAGRANCE OILS

Praan Naturals Plant-Based Fragrance Oils are an aromatic achievement in fragrance artistry. They are masterfully created using only plant-based ingredients such as pure essential oils, absolutes, extracts and aromatic isolates derived solely from natural, raw botanical sources.

Plant-Based Fragrance Oils are perfectly suited for use in your finest clean beauty, personal care, soap making and home fragrancing applications where cost-effective fragrance is required without the use of synthetic components.

The exquisite aromas of our range of Plant-Based Fragrance Oils cannot be captured in mere words, and we welcome sample requests.
